It is important that you order your kit and uniform by Monday 23rd September. The earlier you place the order the more likely it is that your kit and uniform will arrive in time for your first practical session.

Please provide a residential delivery address for your order.

Orders for uniform placed by Monday 23rd September will be delivered to campus for you to collect. Uniform orders that are placed after Monday 23rd September will incur a postage charge.

The items you need to order for your course are:

Choose 1 Neostrata voucher

*You will need a dedicated pair of white leather trainers to wear only whilst in the Aesthetics Clinic. These must not be worn outside of the clinic. You have the option to wear your own trainers but they **MUST** be plain white with no colour or detailing, e.g. a coloured Nike tick is not acceptable. Trainers can be branded as long as they are plain white and **MUST** be leather so that they are wipeable.

You will be notified when the uniform is ready for collection from campus. You will be notified when your Mesoesthetic or Neostrata items are ready for collection from the Aspire Clinic reception. You will also be emailed a unique registration code which will allow you to register for the MASCED course.
